Dear Sirs,

Re: P. V. Paula May

Thank-you! Thank-you! Thank-you! Words are not adequate enough to describe our gratitude to Lloyd, Jim, Ed and Jacek who came through for us in an emergency and stayed until 9:00 PM, Friday, Feb. 9, 1996 to resolve an electrical problem.

Our hats are off to you all, and we are sure that such dedication to duty will be rewarded through positive referrals and repeat business.

Yours Sincerely,
Trites Marine Services Ltd.,

John A. Loven, Yard Manager
